

SALAHUDEEN MOHAMMED

IT UNDERGRADUATE | DevOps Enthusiast

PROFILE

I am a hardworking and quick learner with a strong foundation in programming and a growing interest in DevOps and cloud technologies. I am actively developing my skills in Linux, networking, cloud computing, automation, and CI/CD practices. I enjoy learning new technologies, solving technical problems, and working in team environments. I am seeking a DevOps internship where I can apply my technical knowledge, gain hands-on industry experience, and build a strong career in DevOps and cloud engineering.
